New Members

Every person shall be eligible for membership in LOA who is EITHER:

1. A professional logistics officer, or civilian equivalent on active duty with, or retired from, the United States Air Force, Air Force Reserve or Air National Guard
2. A commander, director, or equivalent who commands, directs, and/or manages professional logistics officers
3. A professional logistics officer, or civilian equivalent, on active duty with, or retired from, another military service under the Department of Defense and other military services under other countries' Departments of Defense
4. A member of a military-related civilian organization who is the equivalent of a professional logistics officer.

Corporations

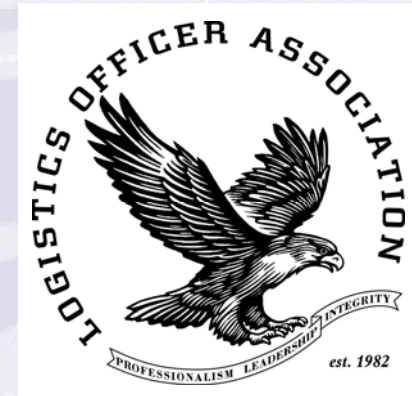

Companies eligible for LOA corporate membership must be associated with legitimate defense industry business. The Executive Board of the Logistics Officer Association reserves the right to decline corporate membership to those companies that it deems do not meet with LOA's professional image or its objectives to enhance the military logistics profession.

Tech School Students

LOA National offers a reduced 1-year membership rate of just \$15 for students who join while attending their initial technical training school. Upon renewal, normal membership rates will apply.
