REGISTRATION/SIGN UP INFORMATION:

Registration for the tournament will be through the LOA National web site 2009 Conference link. It is “first come, first served,” so reserve your spot today as the tournament will sell out early! Please indicate your playing partners if you have a team or individual preference – and make sure that they know!! If you do not have a team, please indicate your approximate average score or handicap if you have one. We are asking for this information so we can match up players to make up “balanced” teams. If you will need rental clubs, we ask that you contact Aliante directly at (702) 399-4888 and tell them you are playing in the 2009 LOA Conference Golf Tournament. We also ask that you tell us if you require transportation from the Rio to the course and back as we have to contract the transportation. Payment for the tourney will be through the LOA web site registration process.

Women's attire: Collared shirt and sleeveless blouse of conservative design are permitted. No t-shirts, tank tops, halter tops or swimwear will be allowed by anyone.
