

The LOA Gram

July 2007

Turning Over The Reins

From Col Matthews:

Fellow Loggies, the time has come for me to continue my service to the Air Force as a retiree. It is my pleasure to turn over the reins to Col(s) Evan Miller. Col (s) Miller is an accomplished logistician with long track record of LOA involvement, including serving as the LOA Vice President from 2002-2004. Please join me in welcoming Col(s) Miller. I will see you all in DC--just look for me in a different uniform!

From Col(s) Miller:

I'm honored to be part of the LOA leadership once again. I'm joining a great team of dedicated logisticians. The National Team is busy planning for an exciting 25th Anniversary LOA Conference and I'm looking forward to leading this effort. Additionally, the National LOA team is discussing LOA 2025--the new strategic vision for LOA. We are meeting in August to finalize the vision and the results of our meeting will be presented in the near future. Again, I am excited to serve our organization as president and I look forward to meeting you in DC.

LOA Announces New Civilian Scholarship Category

The Logistics Officer Association added a new civilian scholarship category to its annual scholarship program. The LOA scholarship program assists both enlisted and DoD civilian in a logistics specialty, with college expenses towards an associate or bachelor degree. The program is targeted toward professional logisticians seeking a commission or further advancement in a logistics related career. Previously, civilians competed in the same category as enlisted personnel. Now, each chapter may submit one nomination in each category. Nominations are due 30 August 2007. For more information regarding submission guidelines: <http://www.loanational.org/scholarship/index.asp>
