GENERAL RALPH E. "ED" EBERHART
Commander, Air Combat Command

General Ralph E. "Ed" Eberhart is commander of Air Combat Command with headquarters at Langley Air Force Base, Va. The command organizes, trains, equips and maintains combat-ready forces for rapid deployment and employment while ensuring strategic air defense forces are ready to meet the challenges of peacetime air sovereignty and wartime defense. ACC is comprised of 1,050 aircraft and approximately 103,400 active-duty military and civilian members at 27 major installations in the United States, Panama, Iceland and the Azores. When mobilized, more than 64,400 Air National Guard and Air Force Reserve members along with 780 aircraft are assigned to ACC. The command provides nuclear forces for U.S. Strategic Command, theater air forces for five geographic unified commands, which are the U.S. Atlantic Command, U.S. Central Command, U.S. Southern Command, U.S. European Command and U.S. Pacific Command, as well as defense forces for the North American Aerospace Defense Command.

The general entered the Air Force in 1968 as a graduate of the U.S. Air Force Academy. His staff experience includes serving as executive officer to the Air Force chief of staff at Headquarters U.S. Air Force; deputy chief of staff for inspection, safety and security, Headquarters Tactical Air Command; director for programs and evaluation, Headquarters U.S. Air Force; director of force structure, resources and assessment, the Joint Staff; and deputy chief of staff for plans and operations, Headquarters U.S. Air Force. Prior to assuming his current position, the general served as the Air Force vice chief of staff.

The general has commanded a flight, squadron, wing, numbered air force and sub-unified command. While commander of the 363rd Tactical Fighter Wing during Operation Desert Shield, the unit established the theater's initial air-to-ground combat capability from a forward operating location. While serving as the commander of U.S. Forces, Japan, he was awarded the Grand Cordon of the Order of the Sacred Treasure by the Emperor of Japan. He is a member of the Council of Foreign Relations. A command pilot, he has logged more than 4,000 hours in fighter and trainer aircraft, including 300 combat missions as a forward air controller in Vietnam.
